

Kia Toa Learner Arjun Room 11

Kia Toa Newsletter - Week 4- 18 August 2016

Arjun has worked hard to show his friends, teachers, and family that he is a great Kia Toa kid. He is supportive of his teachers and friends and he shows this by being gentle and kind when he's playing. He has a growth mindset and never gives up when the learning gets hard. Arjun has a wonderful sense of humour and he uses it to help us remember to have a laugh when we get stuck or make a mistake. I enjoy teaching Arjun because he wants to be the best person he can be and he never gives up.

Kia Toa Assemblies are held on even weeks on a Monday at 9.30am. Please come and celebrate our students successes.

This fortnight's focus is looking after our visitors and relievers showing manaakitanga.

Be Respectful

Be welcoming to Visitors and Relievers when they come to our class.

Listen to the relievers instructions. Show manaakitanga to our visitors by making sure they feel part of our whānau.

Be Responsible

If a visitor or a reliever doesn't know where something is, help them find it.

Remember the class and school rules are still the same when there is a reliever in the class.

Work as a kia toa learner.

Be Supportive

Have a learning growth mindset attitude.

Show visitors and and relievers around the school.

Help our reliever by listening carefully.

If you go to our Kia Toa Blog on our School website you will see our lesson plans and learn more about all things Kia Toa.
