

Kia Toa Learner Jennifer Room 17

Kia Toa Newsletter - Week 6 - 1 September

Jennifer is this weeks Kia Toa Learner. She sets an excellent example for others by completing her work to a high standard and trying her best all the time. She is able to approach challenges with a positive attitude and likes to help others in Room 17 with their learning. Jennifer is kind and thoughtful, always looking out for the needs of others and is a supportive friend to those in need. Jennifer is a student that leads by example and that is why she has been chosen to be a Kia Toa Learner. Well done Jennifer!!

Positive Behaviour for Learning

Kia Toa Assemblies are held on even weeks on a Monday at 9.30am. Please come and celebrate our students successes.

This fortnight's focus is accepting differences

Be Respectful

Respect everyone and understand they come in different shapes and sizes. Use positive inclusive language. Don't make fun of people who are different, try to learn something about them instead.

Be Responsible

Learn about each others differences. Include others even if they are different. Use kind words and accept everybody for who they are.

Be Supportive

Make sure others feel welcomed. Support others that have disabilities. Learn how to pronounce people's names correctly.

If you go to our Kia Toa Blog on our School website you will see our lesson plans and learn more about all things Kia Toa.
