

Kia Toa Learner Te Kani Room 7

Kia Toa Newsletter - Week 2 - 4 August 2016

Te Kani has done a lot of growing this year. He is a confident member of class and participates easily in activities and loves learning. Te Kani has realised that learning can be hard sometimes but if you never give up and have a 'can do' attitude he can achieve more than he thought. Te Kani is hearing impaired but does not use it as a reason to quit. When he finds something hard he tries and tries again until he succeeds. If he still can't get it, after he's tried his best, then Te Kani asks for help. Asking for help is also an important part of learning. Te Kani is a

very good Tuakana, role model for younger children. He is kind and looks after Teina, younger children, around the school. He plays games with them, talks with them and helps them when they need it. Te Kani is a Kia Toa Learner.
