Kia ora Koutou,

We really appreciate your support today with collecting your child at 2:20 pm for our teachers to attend a Teachers' Union Meeting. We sincerely apologise for any inconvenience this may cause you but believe that the long term future of New Zealand's quality public education system is at stake. All our teachers work incredibly hard to create a great learning environment for our children. Their future work and pay conditions will be discussed and I would like all of them to have the opportunity to attend this meeting.

Thank you to all of you who have expressed an interest to support our school environment. The Enviroschools student group has started again and they are looking at finding solutions for getting rid of rubbish around the school. Please feel free to send me any suggestions on this or any other topic.

Ngā mihi
Helen Taylor-Young
(Principal)

Have some fun timing your family brushing.

- Use a stop watch on phone or oven timer
- Hum "twinkle twinkle little star" twice.
- Use a 2-minute hourglass timer like the one in the image here. Search "Smiley Kids timer" on trade me (\$5 including postage).
