Thank you for your support for our teachers last Friday afternoon. We have sent out information to you about the up coming strike on the 29th of May. Please look out for any updates over the next week or so.

We have a new nurse starting here on the 27 May, Steph Anderson. She will be working throughout the week at the Community Centre. Please call in and see her if you or your child have any medical needs.

Congratulations to all our students who participated in the Chess tournament and Rippa Rugby this week. It is a great way for us to get to know students from other schools.

Our newly developed Chess Club team entered the Regional competition earlier in the week and performed amazingly well. We gained 2nd place overall, Jonathan took out 2nd boy overall and Danica achieved 1st girl overall. What a super day with a fantastic bunch of tamariki. Couldn't be more proud of them all. Well done!

KIA TOA - Be Victorious

Victory Primary School is a Positive Behaviour for Learning School (PB4L). This is a framework that is helping New Zealand schools build a culture where positive behaviour and learning is a way of life. The PB4L framework has been tailored to our school's own environment and cultural needs. At Victory Primary School we have adopted the phrase Kia Toa which means Be Victorious. The purpose of Victory Primary School's PB4L/KIA TOA plan is to nurture a consistent, positive learning environment where relationships are respectful, responsible and supportive. The focus at the moment is self-regulation.

Our Kia Toa Assemblies are held on even weeks, the next one will be **Monday May 20th at 2.25pm.**

Next week is Bullying Free NZ week, please see the following link for resources your whānau may like to use at home:
